DAILY MESSAGE OF GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF DE AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

When I find your hearts open and without resistance, when I find your souls united with Me and without the interference of human aspects, when I find your spirits in communion with Me and without considerations, it is when in truth My Work of Mercy is fulfilled in you.

For this reason, companions, may this infinite Work of Mercy of God propagate first in you, and then victoriously propagate in the world.

Be this example for me, which I expect to see every day of life; just as on this day in which your hearts opened to Me with simplicity. Because it is in the same simplicity of the open hearts that I can carry forward the Work of Divine Mercy.

I invite you, companions, to be merciful in all details as in all acts; thus you will attract to the Earth the sacred Virtues of God that your humanity needs in order to be able to live the process of redemption and of forgiveness.

With an impetus of effort, of patience and of dedication, My companions, enter the supreme school of the Divine Mercy, so that the principles of love and of unity may not be lost in this humanity and hearts may be less forgetful that everything begins and ends in the greater expression of love from the heart.

I encourage you to renew the apostolate of these times by being disciples of the spiritual school of the Mercy of the Lord.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
