DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

Dearest friends and followers of Mine:

Today, under the Power and the Grace of the Father, springs from My Merciful Heart for all of you a new and powerful exercise of Prayer, of Mercy and of Redemption which I name the **Devotional to the Five Sacred Wounds of Jesus**.

With true love, devotion and surrender, you will repeat ten times each one of My Five Wounds. Whoever does this exercise with faith and spiritual conviction will receive the merits achieved by Me on the Cross and these will be the same merits that I will deposit in the heart of all those who may clamor for Me and who may believe in the redeemer and healing power of My Wounds.

Those hearts that, as in the Via Crucis, venerate Me and pray to these five wounds marked on My Glorified Body, all Wednesdays and Saturdays, will be truly united to My Compassionate Heart and with reverence I will give them My Peace, My Comfort and My Mercy. If this exercise is prayed in group or as a family, the power of this devotional will acquire greater celestial repercussions.

All those who with faith exercise these prayers to My Five Wounds will be able to understand from the heart the divine mysteries that were achieved by Me during the Passion. In this way you will repeat ten times each one of the five wounds and you will concentrate your being on the place where they were marked on My Glorified Body. Whoever does like this each new day will help in glory and in honor so that My Sacred Heart may be relieved from the pain that humanity causes Me for not accepting the All Powerful God through His Most Beloved Son.

First signal

For the Sacred Wound that we marked(*)
in the right hand of Our Lord Jesus,
Father, have Pity on us.
Amen.

Second signal

For the Precious Wound that we marked(*)
in the left hand of Our Lord Jesus,
God the Father, have Mercy and Pity
on all of us.
Amen.

Third signal

For the Immaculate Wound that we marked(*)
in the right foot of Our Lord Jesus,
Eternal Father, have Compassion and Forgiveness
for all of us.
Amen.

Fourth signal

For the Glorified Wound that we marked(*)
in the left foot of Our Lord Jesus,
Lord of the Universe, have Love and Grace
for all of us.
Amen.

Fifth signal

For the Blessed Wound that we marked(*)
in the Side of Our Lord Jesus,
from where sprang the Unfathomable Source of Mercy
for the entire world,
Adonai, Eternal Father,
reconcile us with Your Glorious Kingdom.
Amen.

(*)**Marked:** According to Christ Jesus, all prayers have reference to this word because we as humanity marked the Son of God with wounds and this is an exercise of reparation.
And for the union beads, you will repeat with faith:

Union bead

O Lord Jesus,
resurrect our spiritual life,
redeem our hearts,
elevate our being before God.
Amen.

Have a good exercise of union with Me.

Under the Mercy of the Father, be blessed.

Thank you for praying to My Heart with all your love!

Christ Jesus.
