**MESSAGE OF THE BLESSED VIRGIN MARY, TRANSMITTED IN THE MARIAN CENTER OF AURORA
TO MOTHER SHIMANI**

Enter in My calm, My soul, little cell of God. Do not be afflicted by anything, because here I am, always behind you.

Enter in My Heart, small soul, rose petal that I offer to the Creator. Do not get discouraged, because in Me you will always find peace.

Enter in the Sacred Heart of Light of My Son, the Redeemer, that He waits for you always, to fill you with His Love of a Shepherd.

Enter, small soul of Mine, in the Powerful Heart of God, because there is your house, the one that has waited for you from always. There you will find the blessed home that waits for the tired traveler, to offer shelter, rest and eternity.

Enter in your essence, small and beloved soul, that there I dwell also, your Celestial Mother, that waits for you to pray for humanity.

Take refuge in this place within yourself, where the Redeemer has sown His Heart and has pulsated His Code of Love for a long time.

Only be serene and always remember that you are with Us, and We are in you.

Rest, beloved soul, eternal and faithful servant, that after your rest we will leave again in search of those who are missing, in order to take them to the Lord.

Thank you for being with Me today.

Your Celestial Mother.

Mary, the same as from Nazareth.
