DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

The Infinite Mercy of My Heart will be what will save the consciousnesses.

Because who is within the Mercy of My Heart will not perish; on the contrary, he will gain inner strength to defeat My adversary.

For this reason, My desire is to take that Mercy to the whole world so that souls, races and peoples know there is still a portal of salvation which is opened through the Love of My Heart for humanity.

The Mercy of your Master and Lord is the live Mercy of God for all of Creation. It is the Mercy of God that exists for those who are in the Light, as well as for those who are in deep darkness.

That is the transforming Mercy that I hope the world comes to know in order to replace the errors and wars with the Love and Compassion that pour out from My Heart.

The souls that are in conflict or living the conflicts of these times, it is because they still do not know the Gift of the Mercy of the Lord, reparative Source of sufferings and healer of all the wounds that humanity causes for itself.

May this Mercy be the Gift of those who are consistent with Me, and of the miserable, of those who are submerged in wars and who fight with weapons.

May My Divine and Unfathomable Mercy touch all hearts so that there are no physical and spiritual barriers among the souls and God.

I thank you for keeping and living My Words from the heart!

Who blesses you,

Your Master, Christ Jesus
