MESSAGE FOR THE APPARITION OF MARY, ROSE OF PEACE AND LADY OF THE HOLY ROSARY OF FÁTIMA, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY SISTER LUCÍA DE JESÚS

My Rosary of Light extends to the world

My Children,

Today My Rosary of Light extends to the world and calls you to the true prayer of the heart so that, more than celebrating with Me another anniversary of My Apparitions in Fatima, your hearts may know how to intercede with Me for this world full of pain and anguish.

Today My Rosary of Light extends to the world and to each human heart, calling everyone to pray and repair the Heart of God, wounded by the wars and conflicts, wounded by the outrages committed to the Kingdoms of Nature, wounded by not being able to pour over His children the source of Love and Grace that comes from His Sacred Heart.

Today My Rosary of Light extends to the world calling you to pray a little more for this planet, so that the prophecies I announced in Fatima one day are not fulfilled, are not manifested before your eyes.

The world still runs the risk of seeing My Words fulfilled, because they have not been attentive to the warnings I made and to the requests that I made so that a greater time of mercy could be upon the Earth.

My children, today My Rosary of Light extends to the world and calls you to pray more for the life on the planet, because it is losing itself, it is degenerating and distorting itself by the distance that there is between humanity and God.

Today My Rosary of Light extends to the world so that you pray for the end of wars and of conflicts, pray for the perdition that youths live so that they may find the path that takes them to the Father and no longer lose themselves in the distractions of this time.

Today, My children, as the Lady of the Holy Rosary, I extend these beads to the world and I call you to pray with Me for a greater time of peace.

Find in prayer the door to unveil the mysteries of this time.

Find in prayer the balm to cure the illnesses of this era.

Find in prayer the secret to live peace and establish peace in the world.

Find in prayer the path that unites you as human consciousness.

Find in prayer the understanding that makes you transcend cultures, races, and religions and discover the Unity that there is between all creatures, because all of them are living parts of only

One God.

Today, My children, your Celestial Mother extends Her Rosary of Light to the world, showing you that prayer and union with God is the only safe path in this time of tribulations and of chaos.

Pray to understand the events of the world and pray so that you can be a light for those who are blind. Humanity needs living examples to follow, and My children must be those examples.

Today your Mother and Lady calls you to take another step in the conscious prayer for life on Earth, and thus, My children, you will be able to enter into the Mysteries that I keep for the hearts that awaken.

I would like to reveal to you many mysteries, I would like to give you many Graces, I would like to bring you divine knowledge of which you remain ignorant since the veils covered your faces when you arrived to Earth.

But today, beloved children, before the need of the world, I just extend My Rosary of Light to all of you and call you to pray with Me for peace.

May cultures, races, nations and religions unite; may hearts unite in the likeness of God; May your hands unite with My Rosary of Light and thus peace be established inside and outside of men.

I bless you and thank you for responding to My call!

Your Mother Mary, Rose of Peace and Lady of the Most Holy Rosary of Fatima
