DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF FLORIANOPOLIS, SANTA CATARINA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Believe in the power of love and of renunciation that God has given you.

Believe in the realization of His Projects in your life and in planetary life and, from that point on, continuously express the absolute faith of your heart; a faith that will allow you to defeat the duality within you, to then defeat it in humanity.

Let the belief in the realization of the Plan within your life be kept alive; thus, you will allow the currents of the Universe that foster the concretization of the Plan to also come to your aid, just like those currents which come to meet you today.

All errors made exist to learn about love and compassion. They are the most immediate and painful method that humanity chose for being able to realize their mistakes. But the Father, who is full in Wisdom, offers His infinite Mercy so that His children may abandon this vicious chain of errors and thus achieve freedom of spirit and of soul.

Trust that it is possible to change the cycle you are in, and, through the Universe, receive all the help you need.

Because the ardent desire of God is that His smallest children may surpass Him in love so that, once again, evil may be defeated and Creation recreated.

Follow the path to the Heart of My Son because there, everything will be healed.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
