APPARITION OF MARY, ROSE OF PEACE, IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

In offering, today I offer you My Immaculate Heart as the perfect triumph for your lives and for the whole Project of God.

Today I meet with you, My children, and with all those who listen to My Voice, with all who contemplate the splendor of My Immaculate Heart, which overflows with love for the world and for souls, those who search for God as well as those who get lost without seeing Him.

Today, on this 13th of May, I unite you with the Center of Fatima and cause you to enter into the Source of its Light, its Love, and its Original Purity, so that you may remember, dear children, what you really are for God and for the whole Universe, that you are no longer what is imperfect, is impure, is sinful.

In you there is the Purity that God created from the beginning, to be able to manifest His Love on Earth and in all humanity.

That essential purity, dear children, is found in your souls, and your souls have waited for a long time to be able to take this step toward a greater surrender.

Today I come crowned by the twelve stars that My children of the Earth have placed on Me, honoring each one of My attributes, and making them part of your lives, as the perfect balm for an inner healing.

Today I am with all those who listen to Me and who open the doors of their homes and their hearts so that I may enter and reign as your Most Holy Mother.

Today I come with the Scepter of God, holding it in My hand, dear children, to show you that the power of Love is invincible, and that darkness will be defeated; for I continue to step on the head of the malevolent serpent that causes pain and desperation in all human beings.

Today I come with the book of God that reveals Justice to you, as well as the Mercy that welcomes you in this moment, which allows you to enter into the Heart of God in perfect wholeness, devotion, and love.

Today My eyes are here to observe you and contemplate you as the purity that you are and the mission that you have, dear children, of being able to achieve it at this very difficult time for the world.

But as long as you remember Fatima, you will achieve it. Because I am there, and I also hope to be in your hearts so that the Will of God may be fulfilled.

This message that I bring you today, dear children, is a preparation.

On this 13th of May, in which all the angels gather around their Heavenly Mother and over this land of Aurora to unite both Centers of Light, Fatima and Aurora, I come to declare, dear children, a special foundation, and the continuing of a Marian movement, which will be the prelude to the defeat of My adversary.

This Marian and Priestly-Christic Movement will promise all of you an immeasurable devotion to My Immaculate Heart and to the Sacred Heart of Jesus.

The Son of God and the Mother of God offer themselves as Hearts for the world, so that souls may be able to contemplate and fully live them through love and prayer; pillars that will not cause you to perish in spite of the storm of these times.

This Marian and Priestly-Christic Movement will unite you to My Immaculate Heart.

I will want to be the Governess of your lives and hearts, of your homes and families, so that the Sacred Family of these times may be constituted and there be a consecration of each being of this world to the perfect Plan of God, which must be fulfilled through the collaboration of each essence of the Earth.

You will get to know much more about this Marian and Priestly-Christic Movement over time, because it is already being gestated to be able to be presented to all.

This Movement is the continuation of a Work that I began in Fatima, after My Apparitions, with all the priests, who are the servants of My Son and of the holy Eucharist.

What this Movement wants, dear children, is that you live the devotion to My Immaculate Heart and to the Sacred Heart of Jesus, so that souls in the end of times have someone in whom to trust in spite of what happens and of their time of purification.

To adopt My Immaculate Heart and the Heart of My Son means taking a step in your lives, a renewal for your families, so that the gifts of the Holy Spirit may begin to manifest in each work of love and in each daily action.

These gifts that will be poured out by the Sacred Hearts will allow you to carry out the Project of God and to accomplish your main mission for this end time.

Thus, dear children, I will offer Myself as the center for your families and as the Mediator for all the impossible causes.

I want to enter your lives even further. I still have not achieved enough to conquer your hearts and, even though I know you have taken me up, I still wait, dear children, to reveal to you My designs for these times.

Whoever enters into this Marian and Priestly Movement will have the assistance of My angels from Heaven and will be able to learn, dear children, about the treasures of instruction that were recorded on Earth and in the Gospel by the Sacred Family.

Many graces will be revealed in your lives, and you will be able to build, in yourselves and in your loved ones, what you were never able to, because the soul that takes up My Immaculate Heart will not perish, although it will be purified.

This Movement will try to unite your hearts, but also the hearts of the whole Earth, that in some way are devoted to My Presence in their lives and plead to God for infinite grace, that it may descend from Heaven and be poured out in all souls that need this.

This Marian and Priestly-Christic Movement will be protected by the priests of this Order that I have formed together with My Son.

It will be the first step for a greater and true ecumenism, that will not only unite Christians, but also all those who truly seek to live in the Love of God and who need to find it in this moment, to be able to spiritually survive.

That is why My Heart is offered to you and to the world, bringing a continuity to this Marian Movement that once began in Fatima, and that sprouted and was born like a small flower, that afterwards changed into large gardens in all the souls of the world who contemplated My Heart.

Through this Movement I come to bring you the possibility of being united to the Universe of God and that you may be mediators of these end times; because there will be souls that will need your prayers and also your peace.

When I am no longer among you, this Movement will continue with My Work; and it will be you, the apostles of My Son, who will testify that I was here, among you, for so much time and that I had you come to know of the power of My Immaculate Heart for the whole planet. I also taught you to close the doors of hell and to remove from the claws of the adversary all those lost in this cycle.

So you will fulfill your task, dear children, through this Movement, with the same Ministry that My Son founded with His first followers: and you will also bring continuity to the Work that your Mother carried out with Joseph of Arimathea and the holy women of Jerusalem after the Ascension of My Son, founding the first Order Consecrated to Our Lord Jesus Christ.

In this way you will remember, dear children, something you have always done, and each soul of this Earth will have the chance to participate in this Movement, according to their degree of consecration and of awakening.

So on this thirteenth day, dear children, know that you all have a place in My Immaculate Heart, and that I pray for you so that the Plan of God may finally be accomplished in all hearts.

This Movement will open the doors to a real fraternity; and the Work that I have done here in the beginning, in Aurora, will be more accepted and understood after everything has happened.

Many will grieve for not having listened before, but the light of this Movement will help to change them.

Even being religious and Christians, the light of this, My Movement, will change you, because My Immaculate Heart will be present, which is the emblem for the salvation of the souls of those who wish to be reconciled with God, after having been separated from Him for a long time.

My Immaculate Heart, dear children, is the representation of the Universe of the Love of God, that many do not yet know; a Universe that is waiting to be known by all, so that your wounds, your misunderstandings, and your doubts may be healed.

My Immaculate Heart is offered to the world again on this day to save it, before everything happens.

My Immaculate Heart will be the banner of this Movement.

It will be My Heart that will want to be stamped in your spirits and souls, in this perfect fusion with the Love of God and with His Mercy.

My Immaculate Heart, in this Movement, will be the portal for the angels to descend and be able to work together with you on this Co-redemptive Work with My Son.

My Heart is everything for the world, and I hope that your hearts are also, so that God may be pleased to be in you and in your brothers and sisters all the time.

Today I have brought My Immaculate Heart so that on this day, the Marian and Priestly Movement may be born; so that the new Christs may present themselves in light of the call of the Universe, and in their redemption, are able to fulfill the Will of the Celestial Father.

You will still not understand what I am saying to you today, but hold My words in your hearts, for in your hearts is the first place in which My designs will be fulfilled, and it is from there that the works are carried out for the whole planet.

Feel My words before understanding them and so you will transform, dear children.

My love waits to be deposited in you when your trust becomes absolute, when your spirits open to this sacred summoning and thus, the nations of the Americas will gain relief.

Because this Marian and Priestly-Christic Movement, dear children, began from the first moment in which you said "yes" to My Call eight years ago, when you learned to pray and prayed with Me; when you fulfilled each one of My requests for peace in the world and for the salvation of souls.

This Marian and Priestly-Christic Movement has been gradually gestated in your spirits when they were receptive to My Universal Call.

And there is still much to do, dear children, there is much to accomplish and to fulfill for God.

Today I leave My Immaculate Heart for you as the treasure of the Universe, an emblem of love for all of humanity; as the foundation of this Movement for this blessed and glorious day, in which your Mother from Heaven is crowned by the love of Her children.

Today I want you to sign this commitment to Me through your love and your "yes."

In this way, many will be helped, and will come in different ways to My Immaculate Heart: as a refuge for the afflicted, as a home for those who despair, as a healing for those who are sick, and as salvation for those who were in the abyss.

Today I place here before you My seven roses of Light; because as from this ninth year of meetings with Me, dear children, the seventh cycle will be completed and a new cycle will begin for all. Be prepared.

This Movement will also be formed by the Children of Mary who represent Me in this humanity as a testimony to the change and the Love of God in your lives.

Today I will call those who will be consecrated on this day, when I will again reveal the power of My Immaculate Heart, which is the Power of God.

Let My children come here, those who will be consecrated.

Today there are three, dear children, in the sacred memory of the purity of Jacinta, Francisco, and Lucía, and in the sacred memory of the Father, the Son, and the Holy Spirit.

What will this moment mean for your souls, dear children?

What will this consecration represent for your souls before My Immaculate Heart, that opens to receive you and infinitely love you?

Today, for each one of you, I leave the seed of original purity, so that you may recover it and cause it to grow like a great tree of light that, through your prayer, will give shelter to suffering and lost hearts.

In union with My Immaculate Heart, receive the Light of Heaven, that today I offer you by Grace and by Mercy, touching your heads and praying to My Son for your great step into the Greater Universe.

I love you and adopt you as My children, because you have already taken Me on as your Mother.

And so I once again, on this day, fulfill the Project of the Love of God in all hearts through these three children.

Receive from Lys Fatima, Peace.

And now, children who are consecrated today, repeat with Me:

My God, I believe in you....

(Prayer of the Angel of Peace, recited three times)

And so, children who are consecrated today, your hearts are cleansed and your souls purified in My Light, in the perfect Love of God and in the Unity with His Spirit.

Today I consecrate you in the name of all the Universe, in the name of Love and of Peace, so that it may be established in your lives and in all those who cross your paths.

Remember, dear children who are consecrated today, that you adopted My Immaculate Heart, that will always protect you and love you as nobody has ever loved you.

In the name of the Father, the Son, and the Holy Spirit. Amen.

For this day, for the days past, and for the works to come, I thank you for responding to My Call.

Let your candles be raised and sing: "The 13th of May."

Go in peace.
