DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE LOCALITY OF LOS COCOS, CORDOBA, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

While the doors of transmutation remain open throughout many parts of the world, on a planetary level, relief is generated by the voices that give themselves to the path of prayer, both in their families and in the nations of the world.

Thus, the doors of transmutation liberate, by themselves, the weight of the facts generated and the faults committed by humanity on a spiritual and material level.

In this way, whenever groups of souls gather to pray, new possibilities to liberate the planet are presented, and this is a service that hearts can only give when there is true openness within.

It is not an easy or a pleasant task to enter through the doors of transmutation, to offer a service of love and surrender for humanity, but the Heavenly Father considers this work of transmutation as one of the most important in order to carry forward the redemption and conversion of humanity.

For the majority, this service will be new, but it is one of the deepest services of love that the servants are invited to live in this time.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
