DAILY MESSAGE OF GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF SAO PAULO, BRASIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

When souls, on the days of the Marathon of Prayer, invoke My Divine Mercy, they resemble the golden spikes in the fields and My Kingdom, shining in the splendor of prayer.

This allows the Faithful Gardener to water the gardens, valleys and fields of the soul with the renewing Water of the Divine Mercy.

In this way, the most serious faults committed by humanity are forgiven, because the prayer of that soul who calls out for Divine Mercy grants a spiritual and immaterial atonement, completely changing the course of the planetary events.

In the same way, the souls that pray the Rosary to the Mother of God, not only become roses in the Gardens of Heaven but also the prayers for peace in the nations of the world cyclically revert very serious errors from the past and present, and change, by the same power of the Rosary, future events, conceding, thus, a spiritual reparation for the praying souls, as well as for the praying nations.

Pause for a moment, with detachment and humility, apart from concrete and visible results, and imagine how much the sincere prayer one who prays can help and, furthermore, how much the prayer of hundreds of souls in the world can spiritually intercede.

If souls truly trusted fully in the superior power of the prayer of the heart, they would soon know the inviolable mysteries that it safeguards as a divine treasure.

I encourage you, companions, to value each moment of prayer and, first of all, to give thanks to the Eternal Father for being able to pray each new day, in order that the greater help may come from the Celestial Universe and intervene within all impossible causes.

Whoever wishes to know the power of prayer submerges in it daily.

I thank you for keeping My Words in the heart!

Who blesses you now and always,

Your Master, Christ Jesus
