DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

I come to the world once again to remove from your eyes the darkness that does not permit you to see the path of the eternal light, that which is directed towards My Sacred Heart.

For this My Words can have two principal effects in your lives: they can sow light in your consciousness or they can be lost in the silence of times without giving any fruit.

Today I invite you to love the path of transcendence because it will drive you to be transformed as is predicted in My Divine Plans from the beginning. For this I ask you for great patience and love to be able to bear the great universal currents that My Heart will send to unmask and banish from the world the old humanity. These currents will arrive to each soul in its right time because as it is in Heaven it will also be upon the Earth.

To bear the fire that comes from My Solar Heart, from the center of your universe, I ask you that in your houses, families and among your dearest beings, that you offer special devotion to the Sacred Heart of Jesus and to the Merciful Christ. Do this during fifteen minutes before the hour of the Divine Mercy with the aim that My Liberator Fire may touch you and transform you with absolute peace and harmony.

All of My Followers who may dedicate themselves to the adoration of My Sacred Heart will receive every day the impulse of light that they may need in order to resolve problems, doubts, uncertainties, lack of faith, of love, lack of meaning in the life of matter or of the spirit. You, as souls, will have the opportunity to choose which blessed image you will adore.

Know, My Companions, that I am present in every image or in every place whenever you may only call Me because I promise to come in your aid. The special adoration to the Sacred Heart of Jesus during the months of June and July of 2013 has the objective of elevating your consciousness to the infinite. If you do like this you will also repair My Sacred and Blessed Heart from the grave outrages and profane thoughts that humanity lives in the abysses of life.

If all unite themselves to Me before the hour of the Divine Mercy I will be for the souls and the consciousnesses the Liberator, to stop being the gate keeper of the Great Judge who is in the Heavens, because in these times I want to give you to know the science of My Divine Mercy.

For this I invite you to know the essence of My Sacred Heart through My daughter Saint Margarita Maria Alacoque.

Under the Grace of the Father, be merciful and patient with the tests of life.

Thank you for adoring My Sacred Heart during these months!

Christ Jesus.
