DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Just love one another, as I loved you, as Father and Lord, from My Birth until My Ascension.

Love one another always, and may this love of the heart never be missing from you, however poor or imperfect, may it be true and healthy love, capable of understanding and of accepting everything.

Love one another, much more than I love you, and surpass Me in love and in surrender. I have told you that you would do greater things than I did and this continues to be real and current for Me.

Love one another until you can express compassion, honesty, and transparency.

Love one another without fearing to unmask your characters and to only live for love and in love.

Love one another because it will be the love between brothers and sisters, disciples and friends, that will liberate you from yourselves.

Love without fearing to always say "yes" and to donate yourselves much more than I donated myself.

Love one another so that love may abound on Earth and so that it may be love that will defeat evil, falsehood and all pride.

Love one another in truth and you will fulfill My great Commandment.

Love one another and peace will not be lacking.

I thank all of you who made it possible to fulfill My call this year and those who will fulfill it next year so that the graces may abound on Earth.

Who blesses you always,

Your Master, Christ Jesus
