DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

My dear children:

On this day let us follow the steps of the Light of Jesus, but let us still see Christ walking in this world, carrying out miracles and wonders in hearts.

Let us feel within ourselves the hour of His Agony, everything that He suffers for the world upon seeing a humanity blind in spirit and closed of soul.

Let us follow the steps of Light of Jesus because in this cycle He is fulfilling everything that His Father dictated for Him.

Let us see the Face of Our Lord, pale and serene, silent and thoughtful.

The Master approaches His hour and He wants to see Those of His united with His Heart, confirming His Presence in each one of you.

It is thus that you will be able to accompany the Lord on the path of faith and of trust, demonstrating in each act and in each action the Designs of the Father.

In that inner union with Christ and prior to the hour of His great Agony, may His apostles of the last times define their cycle so that in the time to come the emergence of New inner Christs may be possible.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
