DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Series - Manifestation of Aurora - Part III

In this cycle, the Kingdom of Aurora must concretize the expansion of its mirror on the surface; for this reason, no one should be satisfied with what already exists, because Aurora still has to show itself in its splendor.

For this reason, companions, the collaboration and the awareness on the part of everyone for this new stage of the manifestation of Aurora will help your Sacred Center find more spaces where it may be established on the surface.

In this sense, the spiritual expansion of Aurora will depend on the efforts that all members of the Work will make in this year of 2019 so that the previously mentioned needs may be provided and carried out according to the Plan of the Hierarchy.

There is, without a doubt, a responsibility and a commitment on the part of everyone in order for this manifestation to be able to occur.

One way to motivate the concretization of the new spaces of Aurora may be to carry forward campaigns in order to raise the material and financial resources so that everything may take place; just like the inner commitment that each one can make with Aurora, to periodically be present and collaborate, will help.

For this reason, companions, the first campaign will be to concretize the bathrooms of the Marian Center of Aurora. To do this, the solidarity campaign of the 333 Uruguayan pesos will be carried out to begin to build, in the month of February of this year, the architectural bases of the bathrooms of the Marian Center.

This impulse of the 333 Uruguayan pesos will be developed by all members of the Light-Network, who will also promote the programs to gather the donations of material elements, as well as the fraternal workforce, that may help in the building of this first objective. When this need of the Marian Center of Aurora is concretized, the next stage will come about.

It should be emphasized that, if all the necessary help through the campaign of the 333 Uruguayan pesos is not concretized, the Light-Network will receive a notice to collaborate again until this objective, which is a mission for everyone, is fulfilled.

Let us together keep building the foundations for a new and fraternal humanity.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
