DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN BALNEARIO EL CONDOR, RIO NEGRO, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children:

You know that in these times, the spirituality of humanity is being corrupted due to the influences of the material life and of the pleasures that millions of souls experience.

This is the reason why the spiritual connection with what is real is being interfered with; this interference is generated by unelevated spiritual forces that awaken in souls the need for having power or prestige, both in spiritual life and in society.

Thus, consciousnesses believe they are well connected, while in reality, they are being influenced. This is what leads millions of souls into making impulsive decisions and, in many cases, destroying their own spirituality.

The Law of Divine Justice will come to reveal and to correct this deviation of most of humanity, just as the Law of Liberation will also come, which will be applied to unblock the psychic plane of the planet from all the interferences experienced throughout time.

Thus, there will be much to liberate in these times and, in this way, cut the roots that the adversary caused to grow in thousands of consciousnesses which are in the illusion of being uplifted.

The angelic consciousness will be entrusted to reveal and bring into evidence these parallel realities that only feed on the dreams of people.

Everything will be exorcized.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
