In My sweet stars you will find the guideline that I come to announce to the world. They are as the loadstar of Bethlehem for each of My children, because the stars are as the dawn and the bright light for those who must revive to life in Christ.

Dear children, with immense delight I bring you to the Heart of My Son, who must be loved and venerated daily by this humanity. In this way this preparation will allow you to receive the coming of the Redeemer for the second time to this humanity.

With all this dear children, today I want to invite you to contemplate the Merciful Face of the Living God through the presence of My Son and so that you may also witness the presence of the Most Beloved Heart of God through My Immaculate Heart.

Know dear children, that in My stars you may see the new dawn, the long years of peace, that promise written in the Heart of God the Father for all My children.

In the adorable and venerable Heart of Christ you will find the safe path that will lead you to the Kingdom of God.

Humanity may with prayer, remedy the past and the suffering that it has gestated for a long time. Now My Marian soldiers must express hope and redemption for all those who still do not have them.

Also today I announce dear children, that My monthly presence for the days of May 12th and 13th, again in the re-emerging and beloved Portugal, will end on May 14th, with a pilgrimage of all those present in the apparitions to the Sanctuary of Fatima and Aljustrel. In this exercise you will be as many other children relieving My Immaculate Heart and repairing the Justice promised to Europe. The angel of the Lord will help you and He will consider this humble offer as on behalf of all.

Thank you children for replying My call.

Mary, Mother of the Divine Conception of the Trinity.
