DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF SÃO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Do not fear to face your inner reality. Thank every day for being conscious of your imperfections, but do not retain them within you with guilt, but surrender them to the God of Love so that through the Hands of His Beloved Son, He may transform them.

The inner reality could be painful, but the determination to transmute it will be the path of relief of the consciousness.

Do not fear to face this inner reality. Decree within you the triumph of the Redemptive Love of Christ, because in this way you will not fight against your miseries when they emerge and you will know how to surrender them to the Lord at each moment. So your cross will weigh less and your feet will walk more decidedly towards the Purpose.

Do not remain in the past, in what was done or in the cause. With humility, dare to transform all with joy, hope, motivation, and bravery, knowing that at each new test or at each new challenge there is a reason to make this humanity increasingly free.

Thus you will win because the Love of Christ will reign above all imperfection.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
