DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Knock on the Doors of Heaven with your prayers and cry out for Mercy.

With your verb and your intentions, just ask God to have compassion of those who get lost in the illusions and the deceptions of the world so that, in the time of their awakening, they may know Peace, and not anguish and despair.

Knock on the Doors of Heaven with your prayers and beg the Father that, with His Hands extended to the world, He rescues those who are in the abysses and do not have strength, faith or hope to cry out for themselves. Be the voice of those who repent from their sins, but whose pride and fear were greater than their capacity to ask for forgiveness and redemption to God.

Knock on the Doors of Heaven and stay in reverence at the Feet of God, recognizing yourself as small, imperfect and as a sinner, and cry out to the Father to wash you with His purity, so that this same purity that you receive from God may be poured like a rain of glory and of graces over all of the beings of the Earth.

Knock on the Doors of Heaven and offer your heart and your prayers for the rescue of the Kingdoms of Nature. Do not get tired of crying out to God for this world because, until the last instant of time of redemption and of purification of the Earth, Mercy and Grace will be necessary.

Be a bearer of Mercy. Be a multiplier of Grace. Be an intercessor between God and humanity.

You have My blessing for this.

Your Father and Friend,

The Most Chaste Saint Joseph
