DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Be grateful for everything, because gratitude, child, is this superior energy that is born from the Heart of God, it mirrors itself in His angels and archangels, and descends to the Earth to permeate men and teach them how to return to God.

Gratitude is a sublime vibration that transforms and transmutes the human condition, lifting it to unknown realities, so that, thus, it may live revelations not only about itself and about life, but also about the whole Creation.

Gratitude is the recognition of the Love of God; it is this divine energy that is constantly born within those who recognize the Grace of the Creator Father.

Enter, child, into the sublime laws that rule the evolution of this Universe and of all Universes because God, being only One, manifested Life in the dimensions and the first emanation that He sent you was gratitude: gratitude for existence, for life, for creatures.

Find that sublime emanation every day, being grateful for all things, and elevate yourself to the Origin, into the Heart of the Father, letting Him awaken within you that which is perfect and which hides in you because it only manifests through gratitude.

Be grateful for all things and raise this world to the Heart of God.

Your Father and Friend,

The Most Chaste Saint Joseph
