DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Never let your heart be closed by the indifference or the wrong actions of your peers.

Work intensely in you the transcendence of human indifference and of conscious omission. Thus, you will attain a state of mature love that will lead you to understand everything and accept everything, however difficult it may seem.

Never let your little human heart close, by absolutely nothing, because thus you will avoid delaying your steps towards My Son, in the direction towards His Divine Kingdom.

You know that within the human life there are many imperfections and many defects, some of them with great and hard resistances.

Begin working in yourself all that which still does not want to transform or mold. It will not be by facing yourself in battle with your own inner enemy but by loving it with the Christic Love so that, little by little, the remnants of these resistances that lead to error may dissolve.

You will not be a saint in three days, the transcendence of the human condition is until the last days of life. But have the certainty that everything can change without the need to live suffering nor agony.

Reach perfection in a positive sense and thus you will advance on the path to someday entirely embrace the consecration of the spirit and of all consciousness to God, the Creator.

Trust that every day you will be able to begin from zero.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
