**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF SÃO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

May the Light of the inner Aurora rise in the inner worlds of the beings of this planet so that, in this time, consciousnesses may recognize the power of Healing and of Love.

Let all revere the Light of the inner Aurora because even while being before a mystery not yet unveiled, they may feel the Science of Aurora working in the deep nuclei of beings.

May all be successors of the inner Healing of Aurora so that humanity and the planet may receive the so much needed relief.

In the face of the inner Healing of the Light of Aurora, may hearts participate in the time of their redemption, able to manifest and to realize this in their heart, which simply opens to receive it.

Let the Light of the inner Aurora finally place you all in the next cycle, in which healers of the word and of the heart must exist, effective instruments of the Hierarchy in this planetary time, in which all that is written will be fulfilled in humanity.

Each time you are before the Light of the inner Aurora, be grateful, because you will once again be before a Fount of Love of great mystery.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
