DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE SANTÍSIMA TRINIDAD COMMUNITY, QUITO, ECUADOR, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Today I arrive at one of My poorest homes in the world, where the spirit of charity and of reparation are fully lived, where the Grace of God, although it may not seem so, is present there because there are simple hearts, full of love for service and for assisting those most in need.

Today I come with the ardent desire and with great aspiration that My children, who today are visiting this humble home, as well as all the Children of Mary consecrated in Ecuador and in the world, piously help in the manifestation of My first Chapel so that, within it, the first mass of giving thanks may be celebrated for this present from God.

Secondly, I desire the manifestation and the concretion of the house of the religious, and also the rest of the installations so that in a harmonious way all of the spaces can exist that are necessary to carry forward the support of the charity work with the children.

Thirdly, I desire that more collaborators help in the food and nutritional support of the children, as well as in the medical and dental assistance.

My wish is that these children that I am visiting today, as well as the consecrated religious that live here, have all that they need to be able to go through these times in which humanity must learn to live charity and mercy with their fellow beings.

If all this can be fulfilled at the end of this year, your Heavenly Mother promises to return to the Santísima Trinidad Community so that the Power of the Father, the Son and the Holy Spirit may bless all the manifestations that were carried out.

Lastly, I want to establish an oratory where the children and their parents may learn to pray the Rosary with the support of all the Children of Mary.

If all this is taken ahead in a spirit of true compromise, I assure you, dear children, that all of these children will someday have spiritual dignity and will be able to be the example for the next stage of humanity.

I am happy to be among the most simple. I am here because I love the littlest ones.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
