DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Aurora is a power plant of purifying fire; its high temperatures transform what is coarse into what is precious and the dense into the sublime.

Only those who are united in heart with Aurora cross its threshold of purification and of transmutation.

Aurora is that fire that does not allow any code of evil to remain because its voltage of non-material and cosmic energy is stronger than all the Suns of the Universe. Everything it touches, it transforms and realigns so that it may have a function within the vast Purpose.

Aurora is the fire that repels evil and exorcizes it according to the present need.

Thus, Aurora is a power plant of hot energy that transubstantiates what is corrupt within the consciousness in order to be able to purify it, and this it determines through its powerful light.

Aurora is capable of changing a life experience so that it may achieve the purpose.

Aurora is capable of breaking the chains and dissolving the shackles of perdition. Its powerful energy will always bring changes where they still do not exist and it can also bring healing where there is sickness.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
