DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Hear within your heart the voice of Aurora and feel how its subtle vibrations resound in the depths of your being.

This is the regenerating love of Aurora that shelters souls of untiring service, that with its healing Light embraces tired bodies.

Hear in your heart the greater melody of Aurora and how it transforms all that it encompasses in the consciousness of the being.

This is the powerful current of Aurora that emerges from the depths of your spirit to give of itself as a Principle of Love and as a Source of Healing.

May this current be recognized in the inner worlds which, after a long journey, re-engage with the original principles of the Greater Healing Source of the inner Aurora. Its lights illumine the spaces and everything receives an impulse of upliftment and of harmony.

Let this meeting with Aurora be the moment of awakening again and of re-encountering the foundational bases of the healing for souls.

Let the melody of love resound within!

Let Aurora be a reencounter with the true being, at the core of the spirit!

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace.
