DAILY MESSAGE RECEIVED OF GLORIFIED CHRIST JESUS, TRANSMITTED DURING THE JOURNEY FROM SÃO PAULO, BRAZIL, TO BUENOS AIRES, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

You will see Me coming to the world, opening the Heavens like a powerful beam of light, and I will bless the whole Earth, from East to West and from North to South.

In My Hand, I will have the Scepter of the Light of God, and to all, I will radiate the Grace of the Supreme Source.

Neither any creature nor any soul will I leave without receiving the Grace and the Mercy of My Divine Spirit.

I will fill essences with the most precious Codes of Heaven, and I will crown the hearts that remained constant and firm in Me until the end.

I will grant peace to all of those who had cried out for it and I will give the balm of My Love to those disciples of the end of times. In this way, My Victory will be realized.

Hearts will no longer remember suffering or pain.

I will take everyone toward My Father so that they may feel Him and know Him closely.

And the mysteries of the Universe will finally be revealed because the Plan will be fulfilled; first within beings, and lastly, all over the Earth.

I thank you for trusting in My Words!

Who blesses you,

Your Master, Christ Jesus
