**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Dear children:

In this new month that begins, we will deepen into the Nativity of the Lord, an important moment for the vows with the inner Christ of each being to be renewed and the commitment to the Plan of Love to be strengthened.

Therefore, My children, I call on you to be attentive to this detail of your renewal, for even though, day to day, through the communion with My Son, you are also renewed, it is important for your souls to unite with the Sacred Nativity of the Lord so that your spirits may be blessed with the impulses of love that My own Son will be pouring out during these days in which the entire humanity places its attention in another place.

For this reason, when a soul, through the intercession of the Divine Son, offers itself to God and renews its vows, other possibilities present themselves for the planetary life and especially other opportunities are present for humanity in great need of real love.

In that inner renewal, in that confirmation that I invite you to experience during this next Nativity, you will allow the spiritual attributes that humanity needs for reconfiguring to be drawn to Earth.

I thank you for responding to My call.

Who blesses you,

Your Mother Mary, Rose of Peace
