DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF FLORIANÓPOLIS, SANTA CATARINA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Do not allow, on any account or reason, that the tree of the fruits of the Wisdom of God dries up and that its roots stop penetrating into the depths of the earth, so that, in this way, the tree may stay strong.

From time to time, storms, deserts, droughts or heavy rains will come; but I will not allow anything to knock you down.

Trust in Me. I Am the Tree of Life and whoever lives in Me will not perish.

I have everything to give you, just as I have the power to take everything away from you.

Throughout time, I will place you in scenarios never experienced before because I will need you to suffer for Me, or that you be glad for Me, in each moment.

Let the sap of My Wisdom run through every part of your being like water that purifies but at the same time calms.

Do not despair nor be anguished because, in the greatest inner void, just like in the greatest desert, there I Am. Firmly take My Hand and just say to Me: "Come, Lord Jesus", and there I will be.

I Am the refuge of the distressed. I Am the hope of those who despair. I Am the motive and the reason for every stage of life.

Do not fail to say to Me: "Lord, I trust in You", and I will give you My Trust, again and again, as I have already given it to you, so that you may feel comforted and firm for the coming steps to be taken.

Nourish yourself from the Tree of Life and take the fruits and the gifts that My Heart yields.

Come to Me and all will be at peace.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
