DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

When the Universe makes you see something within yourself that you must transform, do not justify your faults because of your human condition, which makes you feel incapable of transforming.

Life places you before your miseries because your heart is full of the Grace and the Mercy of God. Through you, child, the Creator not only transforms and converts the faults of your heart, but also the ones of all those who really do not open to transform themselves.

Decide, within your heart, to be another, according to the designs and the Will of God. Decide to allow the blessings that the Creator gave you to become fruitful, like the gifts of Christ that, multiplied within you, become a balm for all souls that thirst.

Decide to love the Plan of God, to love and respect His Will for your siblings and pray that this Will be fulfilled.

Pray, crying out for yourself.

Pray, pleading for another.

Pray, begging for the world.

You have My blessing for this.

Your Father and Friend,

The Most Chaste Saint Joseph
