DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Let your heart enter the Source of Divine Mercy every day. Be knowledgeable of the Presence of God in your life.

Seek to know, child, how the Divine Science acts, and you will see that very simply, with very little, the Lord transforms all things and grants new opportunities of healing, forgiveness and redemption to those who did not deserve them.

Draw close to God in prayer every day, so that your union with the Father does not remain at the same point but rather deepens, consolidates and becomes ever more part of you.

To walk the path of union with the Heart of God is the meaning of your existence and this path becomes longer or shorter according to the yielding of your heart so that you cease to be a part and return to the All.

If you love God, you will know His Divine Mercy and thus, child, you will cry out day and night for souls to receive that Mercy and, together with you, may walk the path of return because you will understand that nothing is gained by returning alone to the Father. The Whole is formed by the Unity with all parts.

Thus, love God and love your siblings. Love life and always aspire that, through Divine Mercy, all beings may return to the Heart of the Creator.

Your Father and Friend,

The Most Chaste Saint Joseph
