**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Dear children,

Embrace My Heart so that you may be protected and so that you may always be under My Mantle.

Beloved children, today I invite you to live with honor the conversion of each heart; in this way you will be able to see My Son in your lives and you will find repose in His Sacred Heart. My joy is to be found in the daily response of your hearts. Therefore, My children, I call you to the total reparation of what is not well for Our Lord, the God of the Universe. So that your hearts may live reparation, you must pray constantly and await, in trust, the response from My Kingdom of Love and Peace.

Dear children, My Heart is in pain for the injustices that happen in the world and that offend God so much. Therefore, you already know that only prayer will help the souls that most need the Mercy of My Son. Today I invite you, also, to concentrate your hearts in the sacred mystery of Easter, which is coming. Thus, dear children, you will live Easter in renewal with My Son and in the communion with His Heart.

Peace be for all in these times. May none of My children lose the strength and the hope of their hearts.

My dear ones, all that I ask of you is that you give the faith of the heart so that many of My other children may learn from you through the example of love, of forgiveness and of reconciliation.

Today especially, I prepare My coming as the Co-Redeemer of souls and as a Faithful Servant of My Son, the Redeemer. The coming of My presence at the end of this month should bring you bliss and joy because God is sending Me to you, to your lives and to your hearts.

Thank you for responding to My call.

Let us pray for those who are blind and for those who still do not see the Light of My Heart.

Mary, Mother of the Divine Conception of the Trinity
