DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF SÃO PAULO BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Companions:

With the power and the strength of My Heavenly Light, each time I present myself in the world I exorcise and liberate humanity from a great planetary pressure, so that the psychic plane may be relieved of the currents of conflict and perturbation.

For this reason, in the Hour of Mercy, your Master and Lord grants unique opportunities for the redemption and conversion of hearts.

In the Hour of Mercy, great spaces are opened from the Consciousness of God, so the souls may be submerged in the ocean of Love and can be cured spiritually.

That in the Hour of Mercy, the Passion of your Master be remembered, so that all the merits of His Death, His Resurrection and His Glory be deposited as a balm of repairing and inner relief in humanity, for souls to find the path to live their salvation.

That in the Hour of Mercy the presence of the Son of God be vivified so that by the merits of His Passion, inner redemption is radiated to the world.

I thank you for keeping My Words in the heart!

Who blesses you,

Your Master, Christ Jesus
