DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED DURING THE JOURNEY FROM MONTEVIDEO TO THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

If My Voice were heard all over the world, and if everything that I dictate throughout time were carried forward, perhaps it would not be necessary to go through suffering or pain.

Thus, I still come to the world to show humanity that its heart is closed to the call of God and that it ignores it.

I come to try and have humanity, one day, become aware and awaken to the reality of the illusion that it has itself created, so that it may leave this state and take up its moment of conversion.

It will be important to pray from the heart, because this prayer, especially, appeases the Law and brings grace to all beings on the planet.

While humanity focusses its attention on all that is lower and does not seek the higher, it will continue to suffer on its own, until it learns to correct its paths and is willing to seek the path of love. In that moment, it will begin to know the one true freedom, the freedom that the spirit achieves, that is, of being at the service of God.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
