DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

While the world gets congested from the constant reactions to the decisions that it makes I plead you: live by means of My Mercy because today I declare to you that this time that each one of you live with Me is the training for the time of purification.

For this your lives should already be, by now, polished as stones and more tuned than any voice or musical instrument.

It is necessary to prepare yourself with a certain consciousness so that the dusk may find you sufficiently ignited in light. In this way you will be able to be separate from all darkness that may want to surround you.

There is only one path for this time of tests, of challenges, of confirmations and of sacrifices. I Am this path, a path that will lead you to find a meaning and an answer for all of the circumstances of life.

The one who does not make an effort to follow Me will quickly miss the walking of My Precious Steps.

For this one must have a brave spirit to cross the barriers of inertia and of self-will. Whoever does like this will be able to know the true spirit of freedom and of the inner transfiguration, rays that once impregnated My Consciousness and that converted Me absolutely in what I Am for all of you.

It is time of precision. It is time of sacrifice and of braveness to be able to reach the first stages of holiness.

Under the Grace of the Father, be blessed.

Thank you for guarding My words in the heart!

Christ Jesus, the Instructor of hearts and of lives.
