**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Dear children,

Love one another and protect one another, thus you will be able to be fraternal in truth and in love.

Today I give you more keys so that you may begin to live the school of humility. In this way, in simplicity, you will be imitating My Victorious Son. So that the world may change, it is necessary that the souls live from the fruit of humility, a path that will take all, as hearts, to the Father.

For this reason, My children, the humility that each one of your hearts will be able to radiate and live will be the fruit of victory for the Heavens and thus, Divine Mercy will be able to come to the souls that live the most irreparable faults.

The gift of humility awakens the stream of Mercy. Remember, dear children, what My Son once announced to you here on Earth: "*Blessed are the merciful, for from them will spring out the Fount of Mercy.*"

For this reason, dear children, I invite you, through prayer, to strengthen humility in the heart.

A true soul that lives in the humility of My Son:

- Does not want anything for itself
- Is at the service of the needs of others
- Lives in constant forgetfulness of itself
- Loves, in order to learn to give itself
- Aspires to live in the Purpose of God
- Builds the gift of peace with its hands
- Awaits, in vigil, for the coming of the Good News
- Reveres its fellow humans
- Loves silence
- In prayer finds the key for its change and for the conversion of its heart
- Allows itself to live in simplicity

I await, dear children, that each day your hearts may live a new act of humility. The Lord considers you as good creatures, and that which humanity has not yet transformed is now up to each soul to transform in the heart and in life. In this way most of the hearts will be able to recognize in life the meaning of humility as a gift that converts the heart into an instrument in the Hands of God. Humility will lead you to find in the Heart of My Son an emblem for your lives.

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
