SPECIAL DAILY MESSAGE OF THE CHILD JESUS IN THE ARMS OF THE MOST CHASTE HEART OF SAINT JOSEPH,

TRANSMITTED IN THE CITY OF TREINTA Y TRES TO THE VISIONARY FRIAR ELÍAS

At the end of the prayer of the Chaplet of the Divine Mercy we were waiting for the arrival of Master Jesus but today something special happened: it was the apparition of Child Jesus in the arms of the Most Chaste Heart of Saint Joseph, who with devotion and an example of humility visited us at 3pm.

From the moment of the apparition of the Child Jesus He transmitted us the following instruction:

My dear brothers and sisters:

Today, as the Child Jesus, as the Little Jesus, I come in the arms of My Father to demonstrate to you that you will only get to the Kingdom of God if you are little and humble children that obey with fidelity and love the designs of the Father.

With this aim, today I call you to reflect if your consciousnesses think and feel like a pure and good child.

If it is not this way, in spite of the experiences of life, I invite you to consecrate yourselves to the Sacred Heart of Child Jesus because it is through your act of faith and of forgiveness of yourselves that you will receive the divine help, that which you may need in order to undo the knots in the consciousness.

For this Friday I also call you to renovate yourselves and to imitate the most chaste path of Saint Joseph. You only must put in your hearts the aspiration of transforming yourselves and of making way so that the Will of God may act through your lives.

Saint Joseph will help you to cultivate a spirit of humility and of simplicity.

I call you, for this special day, to affirm yourselves on the path that Saint Joseph went through by means of obedience and of the absolute emptiness of oneself. If you do not empty your hearts of all property or control in time, how will you be blessed by the treasures from Heaven?

You are in time to construct the path of your own redemption. For this today My Mercy presents Itself before you through the presence of the Sacred and Chaste Heart of Saint Joseph. Every time that you may not be pure, chaste and meek, remember that there is a Faithful Mediator before God who is waiting to cross the gate of transcendence and of the inner detachment of yourselves.

Find through Saint Joseph a good and venerable father, capable of accompanying as a Good Shepherd each one of My sheep.

I repeat to you with great compassion: be like children before the maturity and the arrogance that wants to conquer your precious lives, lives that can only be filled by the Spirit of God, lives that can transmit the impulse of the Divine Mercy to all of the Earth.

I wait for you in prayer and in reflection in the Chaste Heart of the Father Saint Joseph.

Under the Light of the Father, be blessed.

Thank you for guarding My messages in the heart!

Christ Jesus, the Redeemer.
