DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

Today I am with you sharing from My Heart the ardent time of the purification that will lead you to find light for your conversion. When Heaven calls you to conversion It also calls you to live constant forgiveness, so necessary and urgent in order to find the path towards the Divine Mercy.

My brothers and sisters:

I am reuniting you to celebrate the supper of your future redemption, a supper that you will live with Me and that will awaken the new consciousness upon your existence. On the path of effort and of constancy is measured the degree of your love for your peers. In spite of the times of great tests My Merciful Heart encourages you to continue without looking back, without looking so much to the past that imprisons you.

For this live with Me all the time so that your hearts may not be separated from My Redeeming Love. I will encounter you always in vigil and in prayer, adoring My Eucharistic Heart.

Under the Good of God, be blessed.

Thank you for guarding My words in the heart!

Christ Jesus.
