**WEEKLY MESSAGE, TRANSMITTED BY THE MOST HOLY VIRGIN MARY, IN THE CITY OF DURAZNO, URUGUAY, TO MOTHER SHIMANI**

Dear children:

Today I pour my Pity over My children of the world, so that each one of you receives this spring of Mercy and feels consolation in your heart.

The Pity that comes from God reaches all those that cannot overcome their limitations, even though they try all the time. So that they find consolation, I bring in My Immaculate Heart this Blessed Pity, that which will be a balm for the hearts that suffer.

With this balm that goes through the soul, each child that suffers from their limitations finds peace and strength to keep on trying once and again. You just have to appeal to My Pity and you will see how the breath of God returns to give you a new impulse to start over.

In these times, beloved children, in which the tests are profound and the paths difficult, I, as Helping Mother, come to bring you peace, calm and My Blessed Pity, so that you do not lower your arms, so that you do not grow sad, so that you do not feel the weight of a defeat; because to the Universe of the Father there is only triumph in each hard learning.

If you could see what there is behind these tests, the transformation that they bring, you would give an impulse to your consciousness, and would give thanks everyday for these tests; God is constructing in each one of you a fortress where His Son can find protection and rest.

May no one be discouraged by what they live; on the contrary, may they lift their gaze and conduct themselves without fear towards the Blessed Heart of My Son, that waits for you always to renew His vote of confidence, that which He gives to those who say yes.

I will accompany you step by step so that you do not feel fear nor shame, but joy for being able, through My Blessed Pity, to overcome another test and to take a step forward.

My souls, divine children of God:

I want you to lift your gaze and find My eyes of Mother that watches you and prays for each one of you, so that in this way you renew your commitment with the Plan of God over this Earth.

I love you and I bless you, I protect you and I wait for you in the inexhaustible source of My Pity.

Thank you for being today with Me.

Mary, Mother of the Blessed Pity.
