DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Let the Purpose of God descend upon you like a powerful current that leads you to the fulfillment of the Laws in an harmonious way and without resistance.

The Purpose of God is alive and permeates the atmosphere of life, traversing and enveloping this world constantly. To find it, it is enough that your heart searches for it and tunes into it, aspiring to fulfill the Will of God above all things.

When you have this live and true aspiration inside you, it acts like a magnet that attracts the Purpose of God and makes it descend upon you, attracting to your mind the intuition and necessary ideas for its fulfillment, and opens a path in your life for the expression of the Laws and their manifestation.

It creates in your consciousness a suitable condition for the Purpose of God to manifest itself, loving and searching for the the Divine Will. In this way, it develops the power of faith and knows that, above all, you must be firm in the Will of the Creator for your life and all of Creation.

Love the Divine Thought, child, even if you do not know it. Know and be certain in your inner world that God has created you with a unique purpose, and this is the Purpose the Father has for your life.

Besides what God Wills for you, there is the union of His Will for all His creatures. That is the Plan of God. This Plan is formed through the expression and perfect manifestation of the Divine Thought for each being.

All creatures are part of the Plan of God, as unique parts of a celestial "puzzle." Therefore, take care in your daily life, so that all your brothers and sisters have the opportunity to become triumphs of God, and pray for this Greater Plan to be fulfilled.

By example, service, gratitude and, above all, with love and respect for your fellow human beings you will see manifesting in your life this and all the things that I tell you.

Your Father and Friend,

The Most Chaste Saint Joseph
