APPARITION OF THE GLORIFIED CHRIST JESUS ON THE FIFTH DAY OF THE SACRED WEEK, IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Behold the Father, the Son, and the Holy Spirit, celebrating this moment with humanity and with all of the peoples of Earth.

Behold Who has given origin to the created.

Behold the Son Who suffered for you.

Behold the Holy Spirit that descended on Pentecost to bring the Grace of God to the world.

You are facing the Mystery of the Heavens, the revelation of the Most Holy Trinity, present in its three persons, to testify to the world that the Will of God still has to be fulfilled, until the end of days.

Listen now to the Voice of the Father:

I Am the beginning and I Am the end. Whosoever lives in Me, I live in them, and they will never have a lack of anything.

I ask the world to listen to the Voice of the Father and make it their own within themselves so that the seeds of His Kingdom may germinate.

Dear children of My Creation, do not forget the Purpose. Everything has a purpose for Me and it is for you to fulfill My designs so that all of Creation may bless you and make of this time a time of Justice, in which all must be restored.

Listen to the Voice of Who gave origin to everything and Who is born of a non-material Source which scatters rays throughout all that was created, so that the divine Virtues may be fulfilled on all the planes and in all their manifestations.

I have come with My Son to relive this moment in which the Father, the Son and the Holy Spirit become small in the Eucharist and give themselves to souls, infinitely.

Let the world correct its paths to be worthy of the Mercy of the Highest.

Let consciousnesses reconsider and take up the mission they have come to fulfill on this Earth for, in this way, the Plan will descend and will not just stay in the Higher Universes. You will be witnesses, My children, of this Plan. And this will first start in you with the transformation of your lives, with the consecration of your souls, with the upliftment of your spirits.

Just as I came to Moses, today I come to you, to gather together My sacred tribes in the four corners of the Earth and prepare them for the great moment of the return of My Son.

May souls be worthy of this moment and may they receive the Father, the Son, and the Holy Spirit as a blessing so that this planet may count on successors of the Project of God because it still is necessary that My designs be fulfilled in all the races and in all the peoples. I still have important designs for souls for all that must be accomplished in this world. Experience this moment as if it were the last, and make it a part of you in this Triune Communion with the One.

Dear companions, My Father would like to tell you many more things. The world must hear, and not fear the Truth because there is still time to convert and to achieve, within the life of each being, the principle of the Purpose of God.

Feel the unfathomable Presence of the Holy Spirit and how the Holy Spirit emanates Its infinite reality, making souls participants in this Triune Communion. Today, not only the Son surrenders to the world, but also the Father and the Holy Spirit.

We know that nobody will understand what this means because, just like on this day, everything that is happening in Heaven, everything is also happening on Earth. And uniting the times of God, a special condition is established in the spirit, in the mind and within the bodies.

You have to know that deeper nuclei are being worked upon because while the Father, the Son and the Holy Spirit are here, the whole world is being helped for its process of redemption in the coming times. Today, the Beloved Son has come with the Father and the Holy Spirit to once more institute His Legacy on Earth and, in this way, renew the times and consciousnesses with the sacred office of the Eucharist.

Blessed are those who today re-experience the Passion of Christ in the Most Holy Sacrament of the Altar because, from year to year, more souls awaken and human ignorance weakens because the Love of God and His Presence reigns in hearts.

I would like all the mothers of this Order to be behind the priests. At the feet of this scene, all the consecrated of the monastery. After the consecrated, the adorers and, lastly, the helpers of My Divine Mercy.

I come on this day to definitely expand My Work in the world. I know that you will also not know what this means, because it is very immature. Simply place My designs in your hearts so that your Master may be able to work in this time and in humanity.

I would like all the mothers to have a lit candle to be in vigil with Me, at this moment.

We have reached a definitive time in humanity on this Holy Thursday, but we have also arrived at the beginning of a new time, in which all will be unleashed.

I would now like the priests to be around this table.

Two bowls of water, two pitchers and two cloths.

Today, the Son offers Himself once more before the Father and the Holy Spirit in this Sacrifice, and He again comes to testify to the legacy of His Passion by means of this spiritual practice in which the souls here present, and the souls of the world may participate in this Spiritual Sacrament.

Incense.

Let us bless this table as God has indicated; in this way, the angels will transubstantiate the elements and the consciousnesses that are open to receive it.

Whoever cannot be standing can remain seated, for potent energy will descend.

Father of Love and of Mercy, Who today is present with Your Son and Your children in the sacred company of the Holy Spirit. Bless this moment and this place, as well as all who participate at this moment, giving honor and glory to Your Infinite Presence, as an act of reparation, of reconciliation and of forgiveness for all the sins of the world committed up until the present time.

May Your Hands, Father, sanctify all that You have created, in image and likeness of Your Love. And may this water poured out today uplift consciousnesses in profound communion with the giving of My humble Heart. Amen.

Oil.

Today, the Lord blesses the oil with which He will be anointed spiritually by His children, so that the Wounds of the Lord may close after His deep agony and martyrdom before He rises on Easter Sunday. He will be anointed by His children as a symbol of atonement.

Today My disciples offer Me the water with which your Master and Shepherd will wash His Hands with for this supper, so as to erase the sins of the whole world, that the Love of God may triumph.

While the Lord washes, He also restores and relieves your hearts, brings peace and the joy of serving and commends His disciples to the Kingdom of God; and brings healing to the soul, the joy of living in Me and of being with Me in this purpose.

The moment has come for the sacrifice of the Son of Humankind, when He is present in the bread and the wine, thus testifying to the Universe of His Love for all the creatures of His Father.

At that time, and before being handed over, I gathered together with My people; took the bread, raised it to God, and gave thanks. And the Most Holy Trinity descended. I broke it and returned it to the basket. I said to the apostles: "All take and eat of It, for this is My Body that will be surrendered for you, for the forgiveness of sins."

The Communion with My Body having ended, your Redeemer took the Chalice, raised It, gave thanks to God, and said: "All take and drink from It, for this is the Chalice of My Blood, the Blood of the new and eternal Covenant that will be shed by your Master and Lord in atonement for the errors." And looking into their eyes, I said: "Do this in remembrance of Me until the end of days, until I return to the world for the second time. Take and drink from the Chalice of holiness."

May the precious Blood wash you and may the Spirit of the sacred lamb fill you so that you do not feel that something is missing, but rather, that you are filled by the Spirit of God.

And so, the Lord seals this Eucharist among siblings and consciousnesses at the service of God.

Repeat now the prayer of the angel of Peace:

*Most Holy Trinity,
Father, Son, and Holy Spirit,
I adore Thee profoundly. I offer Thee
the Most Precious Body, Blood, Soul, and Divinity of Jesus Christ
present in all the Tabernacles of the Earth,
in reparation for the outrages,
sacrileges, and indifferences by which He is offended.
And by the infinite merits of the Sacred Heart of Jesus
and the Immaculate Heart of Mary,
I beg the conversion of poor sinners.*

Amen.

Today, the Lord carries in His Heart the offering of His children.

At this moment, The Father gathers up the love of His creatures, celebrating this legacy that the Lamb of God gave them, in remembrance of all His merits, for all of His sufferings, causing the powerful Blood of Jesus and the sublime Eucharist to triumph in the hearts of the world.

Today I want you to celebrate this Supper not as an agony, but as a victory because Your Lord has already suffered for you. He has risen and comes to testify to Love for the world.

While the angels are present here, may your voices rise in praise and in glory, making this retreat live in union with the Sacred Heart, as one voice.

For this day I have chosen a song that attracts the Graces of God to Earth, as an unending rain. I am referring to "Rains of Love."

Let us stand so that it is the Father Who feels the love of His children and so His trust is once again on this planet.

I bless you on this evening of peace, on this day of rejoicing, on this afternoon of mercy.

In the name of the Father, the Son and the Holy Spirit.

You can all hold hands.
