DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF FLORIANÓPOLIS, SANTA CATARINA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Love your brothers and sisters just as they are, just as I love you, without conditions, without rules or restrictions.

Love your brothers and sisters as they are, without trying to change anything in them, because they themselves should make the great change in consciousness, just as you should make the inner change.

Love your brothers and sisters with all their defects, with all their imperfections, with all their anger and with all their resistances, just as I love all of your being, with all your errors, with all your faults and with all your miseries.

Love your brothers and sisters with all their talents, skills and abilities, just as I love you with all your potential, with all your intelligence and with all your energy.

Love your brothers and sisters in their moments of happiness, in their moments of pain and in their moments of joy, just as I love you in your moments of falling, in your moments of test and in your moments of defeat.

Love your brothers and sisters with all their happiness, with all their anger, with all their folly, just as I love you with all your resistances, with all your misconceptions and with all your doubts.

Love is capable of everything and it has no limits, no commitments nor schedules.

Love is the giving of self and is the acceptance of the biggest and of the smallest errors.

Love will always free you from chains and will heal your heart.

I thank you for keeping My Words in your heart.

Who blesses you,

Your Master, Christ Jesus
