DAILY MESSAGE RECEIVED OF GLORIFIED CHRIST JESUS, TRANSMITTED DURING THE JOURNEY FROM PORTO ALEGRE, RIO GRANDE DO SUL, TO SÃO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My Heart is like a sun that, radiating the Rays of Mercy, illumines the night of inner worlds, and it is also like a star that guides the spiritual steps of disciples.

You can enter into this Merciful Heart through your consciousnesses so that you may be in love and in peace, in communion with Me, every day until I return at the end of times.

Feel this Heart as your refuge, your confessional, your reason and find there the sense of living on the surface of the Earth so that, in trust, you represent Me as My apostles of the last days.

Enter into My Heart, for it offers itself as an instrument of reparation and of consolation, understanding and feeling each being, beyond errors and the past.

This is the Heart that offers Itself, day after day, for the spiritual salvation of souls; a poor Heart that waits to be loved and recognized by all, until the advent of the New Humanity is fulfilled.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
