DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED DURING THE JOURNEY FROM CAMBORIÚ TO THE CITY OF FLORIANÓPOLIS, SANTA CATARINA, BRAZI, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

If the Eternal Father did not send Me to the world every day, humanity would have no way of freeing itself from errors and oppressions.

For this reason, during the Hour of My Mercy, the powerful Spring of My Heart opens so that souls may be bathed by the most powerful Light that is born of My Merciful Heart.

When souls call for Divine and unfathomable Mercy, no matter where they may be, I approach them to give them to drink of the Water of Life.

If those souls place the planet and humanity in their prayers, the world also benefits and many sinners are forgiven through the expiation that I grant them.

Each time souls unite with My Mercy, a part of My Consciousness approaches to help them. If that help is truly asked for, the spiritual intervention becomes even broader.

Thus, it is important, in this time, to have in mind what the Mercy of My Heart represents, because the more the power of My Expiation is invoked, the greater the spiritual benefits are for souls and, in this way, your lives will change.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
