DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Never fear to take on great responsibilities because, even if you make mistakes and are not prepared, if you place the heart and the love beyond defects, this will have more value than to do the things perfect for Me.

I like the decided souls, available and obedient; the ones who are able to overcome themselves a little more, each day, without coming out of balance nor going to the other extreme.

At this time, the disposition and sacrifice will make the difference between My Plan being fulfilled or My Plan not being able to be carried forward.

But, within the spirit of surrender, determination cannot not be excessive nor fanatic. You must be in balance with day and night, with the ecological and biological rhythm, because in this way you will be fulfilling the basic Laws of evolution.

There is a place and time for everything, therefore the inner and outer balance will help to carry out My Plan according to what has been thought.

The inner opening to My Commands will allow the manifestation of My Works.

I thank you for keeping My Words in the heart!

Who blesses you,

Your Master, Jesus Christ
