DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF FLORIANÓPOLIS, SANTA CATARINA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

In spite of the times of darkness and of urgency, I will always come like the evening Sun, to announce to the world the hour of its salvation.

I will be stronger and more intense than the oceans, because in them souls find peace.

I will be stronger than the wind, because through it, souls can feel the perpetual caress of My Love.

I will not abandon you when times are difficult. I will be there, amongst you, in the silence of the night, to listen to you and so that you hear to My advice.

The time that is approaching will be moving for everyone. Therefore, whoever joins with Me will not perish, they will find the long awaited relief and calm.

I only ask you one thing, that you persist and you sustain yourselves through My Faith, because Heaven and Earth will pass, but My Words will remain in courageous hearts.

Receive from me all the inner strength necessary to go through the end of times for My sake; thus, I will always offer you My Hands to lead you to the House of My Father, a place where a new stage will begin.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
