DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF SÃO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

It is in the hour of Mercy when I most recognize your effort and your prayer, your intention of being truly with Me, no matter the place or the situation.

It is in this remembered sorrowful hour when your Master and Lord has more Mercy and His glorious intervention appeases the action of Justice.

For this reason, companions, remember every day the infinite and recurrent wonders that My Merciful Heart can accomplish in your spiritual and material lives.

Always encourage yourself to say "yes" to Me in the Hour of Divine Mercy because, when this happens, I will not only be able to help your consciousnesses during the severe purification, but I will also be able to intervene in more situations of the planet, because I will have instruments of My Mercy to do so.

In this hour, may your hearts feel the ardor of My Heart so that My Sacred Word is fulfilled within you.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
