DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF SÃO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

I always like to return to the home of My good friends, because in spite of what happens, they never lose their favored place in My Heart.

As in the past, today I visit My old friends, friends of the path, friends and companions in service, in charity and in the fidelity that must be achieved through faith and persistence.

When I visited the families, during past times, it was in those places where I felt better, in the home of My friends, in the households of My apostles, because with them I could share the depths of my heart.

In the house of My friends, My Heart overflowed with an immense and immeasurable love that was capable of freeing and redeeming all things.

In the house of My friends I shared My Peace, and I left this peace so that they would always remember me because, as I said to you once, I could not stay any longer on Earth because I would be returning to the House of My Father.

That is why, today, I return and visit one of the homes of My old and well-known friends to feel My Heart and the ardor of the devotion of My Soul for those who have walked with Me from the beginning.

I thank you for keeping My words in your heart!

Who blesses you and fills you,

Your Master, Christ Jesus
