DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Feel, all the time, how God contemplates His Creation and, among all the infinity of the galaxies, universes and stars, how He especially loves the Earth.

Feel the unknown value that the planet Earth has and remember the experience in which He was a participant during the Life of Jesus.

Remember how God, being so great and powerful, made Himself small to be able to incarnate amongst humanity and teach them about the stages of love and of forgiveness.

Be aware of all of this, time and again, and affirm that, above each trial or difficulty, this truth of love always prevails, which is eternal and is transmitted from generation to generation.

Bring to your consciousness the meaning of all that the Father did for His children and how His Love, which is invincible, continues to work and act throughout the times.

Hang on to this Divine Truth; live through it so that every day you may be a servant as similar as Christ, Our Lord, was.

I thank you for responding to my call!

Who blesses you,

Your Mother Mary, Rose of Peace
