**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Dear children,

Open the pure fountain that exists in your hearts and with Me bring the Law of Love to your brothers and sisters.

My children, for the immense support that emanates from My Heart to your lives, I come to you to cause you to grow so that, when you grow, you may be able to take the steps towards the Kingdom of My Father.

Dear children, walk as children in order to be able to get to My Son, to His arms, which are the perfect path to reach His Most Holy Heart. Through this path, My children, you will help in the conversion of the world and, especially, of many souls that lose themselves each day. For this reason, beloved hearts in redemption, accept the path of peace that, through prayer, I invite you to travel.

Dear children, do not forget the gifts of peace that your hearts are holding, share the path daily with your souls so that the Spirit of God may remain in your hearts.

Beloved children, remember that the transformation of your hearts and of your lives will collaborate with the change of the world and of humanity.

With the hope of being in My Son, you will be able to relieve the burden of the pain that the world lives.

I want to tell you, My children, that each one of you has a key to the conversion of the heart.

Live with Me, I feel you and know you deeply.

Rejoice your hearts for the presence of My Celestial Peace.

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
