DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Today, child, express gratitude to God for all the cycles experienced, for all the graces and mercies, for all the talents and gifts, for each blessing and each test you were able to go through.

Today, thank God for His Presence, for His Words, for the awakening that day after day deepens in your heart, as in your consciousness.

Give thanks for the gift of life, with all of its difficulties and obstacles, because you know that in spite of all the chaos and all the illusion that surrounds the world, there is a spiritual purpose for all things and a higher Will that guides the souls who open themselves to it.

Give thanks for the profound Love of God and for His constant Faith and Hope. The Creator trusts in the triumph of each heart, beyond its miseries, because He knows the perfect essence with which each one was created.

Be thankful, because the Father is always searching for ways for you to find the path of Redemption. Be it through His Son, through His angels, through the Celestial Mother, or the saints and the blessed that guide souls to the Heart of God; there is always a guardian watching over you, accompanying your path, and praying for you not to become lost from it.

Fill your heart with the essence of gratitude because, today and always, this is the doorway to Heaven, the door to a new cycle full of God.

Through gratitude, you will find peace and inner renewal.

Through gratitude, you will learn to love.

Your Father and Friend,

The Most Chaste Saint Joseph
