**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Dear children,

Carry My Peace in your hearts and I assure you that you will not lose the strength of My Faith in your lives.

The moment has come, My children, for you to forgive one another before My Son alights His feet on Earth. Be merciful with each one of your brothers and sisters and avert the lies that many create, lies that offend God.

Prayer, dear children, is the primary key that opens the Infinite Grace from the Heavens. Search daily for the precious key of prayer and sanctify your lives in the presence of My Son. There is nothing left for you to lose. You must burn in the absolute Love of My Son so that you may learn to love and reconcile yourselves in your hearts. My children, walk in this pilgrimage with Me so that I may be able to guide you and protect you from the paths without God in which the world lives.

You, My children, must be the bridge between the Heavens and Earth. This you will accomplish when you pray with Me perpetually. Prayer must cause love to grow in your hearts so that My Son may be able to live in you eternally, as a flame from God the Father.

By the reverent love that each one of you has for My Son, I ask you for firmness and hope in your lives, for the steps that each one must take in these times of divine Celestial Justice.

Be patient so that your hearts may be meek and pure before God, the Celestial Father.

Thank you for responding to My call.

Light for the path of all My children.

Mary, Mother of the Divine Conception of the Trinity
