**MESSAGE OF THE BLESSED VIRGIN MARY, TRANSMITTED IN LA PALOMA, ROCHA, URUGUAY
TO MOTHER SHIMANI**

Dear children:

My beloved little ones, flowers of My protector mantle.

Today again I am very close to you, to guide you and bring you to the Heart of the Redeemer, who seeks His Disciples and Apostles of the New Time.

Now that we are preparing for a new anniversary of My Apparitions in Aurora, and in all of the Americas, I want that you understand, that you study all of My Marian tasks during the twenty and twenty-first centuries, and try to unify that which I have told you in these last two centuries.

In My messages of love to humanity, very important keys are found, for everyone in this time. This will make you understand that in the times that will come, all that has been announced will be accomplished, and the world will see that, despite all, with a little effort, many things have been able to be sustained on this planet. If each one of you, My children, stopped and reflected about how the Virgin Mary has announced some possible events, and how, also, through the prayer of the heart, and the vigil in all the Marian groups, you would see many events managed to cease and others transmuted themselves.

It is in this way, dear children, I call you again to pray for the intentions of My Immaculate Heart, that only wants to teach you, by means of the loving voice of the prayer of Her children, that this humanity could revert many prophecies.

I want you to know, beloved little ones, that our Father in Heaven is willing to listen to your pleas, your requests: that as a loving and perfect Father He only aspires that His children can look at the Heights, and once again want to unite their lives to His Mighty Heart.

I, as Mother and Mediator, pray every day so that each one of My children can go back to uniting themselves in spirit to Our Father of Love, who day by day waits for His beloved humanity.

We are in decisive times, in which all My children must know that which unites all of My Apparitions, that Celestial Purpose that God has for His Creatures. Know, dear children, that when the consciousnesses understand the why and the what of all the movements of the Divinity, all of the being collaborates in the realization of the Divine Plans.

Understand! Understand, dear children, why God has sent Me, since a long time ago, to this Earth, and when you have placed it into your consciousness, we will be more united to receive the arrival of the Redeemer.

I love you and I guard you in My Immaculate Heart. I wait for you in the Heart of My Son to pray for the Purpose of God, for humanity.

Thank you for being with Me today.

Mary, Mother and Queen of Peace.
